

## IE3 Seminar ICC Final Test

For your take-home test, answer these two questions.

- a. Use reasons and specific examples to support your opinion.
- b. Each question is worth 20 points; you should write *250-300 words* for each answer.
- c. Remember to define your terms.
  - i. question #1: nonverbal communication, emoticons, universal language, cultural diversity, etc.
  - ii. question #2: gender gap, gender equality, Global Gender Gap Report, etc.

1. Nonverbals on the Internet are known as emoticons, such as the smiley face :- ) or ☺. Do these represent a type of universal language, or can they also reflect cultural diversity?
