1. Remember to *use transitions* to connect your questions and the sections.

Questions:

For my first questions,

Next,

And my last question, ...

Connecting Sections:

OK, let's move onto my video now.

Alright, let's take a look at my first skills activity.

2. Remember to have *pronunciation practice* for your vocabulary; you can make cards to teach your vocabulary (like last semester).

3. Ask your group members to give you the answers.

A: For question #1, what did you get Nodoka?

B:

A: And question #2, what di you get Kodai?

B: ...

4. Check your group when they listen to your activities. You can see where your group is having trouble.
