

Interactions Feedback

October 17, 2013

1. **Monitor** (=check your group) during the skills activities.

Look at the answers your group members write down:

- a. Are they correct?
 - b. Are there any words they can't catch?
2. Give your group members a **hint** if they have trouble with listening to specific words.

Example:

This word begins with the letter "b"

b _____

This word begins with "br"

br _____
