How would you explain these values to someone who is not familiar with Japanese culture?

When you explain values, use the following steps:

1. give a translation of the value
2. explain the meaning
3. give an example

1. honne (本音) – tatemae (建前)

2. soto (外) – uchi (内)

3. kouhai (後輩) – senpai (先輩)

4. amaeru (甘える)
