

Oral English 1 Group Project

Poster Presentation

- Goals:**
1. to learn how to work with a group
 2. to work independently with minimum teacher guidance
 3. to develop creativity
 4. to develop an awareness about problems in society and how people try to solve those problems

Topic: an important Japanese social issue

Your poster has to answer these two questions:
What is an important problem facing Japanese society?
What are three solutions for this problem?

- You need to include the following information:
- a. describe the problem (What is it? What are its causes?)
 - b. explain two solutions for this problem

Method: Poster Presentation

- 20-minute group presentation (and 5 minutes for questions)
 - has an introduction, body and conclusion
 - uses presentation language
 - all members have a 5-minute speaking part
- a poster to show your problem and solutions with pictures
 - on poster paper (1.0m x 1.0m)
 - has a title, key words and/or phrases
 - has photos, pictures, drawings, etc.
 - uses color
