

Group Presentation

- Goals:**
1. to develop presentation and public speaking skills
 2. to work independently with minimum teacher guidance
 3. to use computer technology
 4. to learn about social problems and their solutions

Topic:

Your group will talk about the activities of a Japanese or international NPO/NGO.

NPO = non-profit organization / NGO = non-government organization

NPOs/NGOs provide services that are not provided by a government. They do not have to pay taxes because they provide essential services. They are similar to businesses, but they depend on donations to run their organizations. NPOs/NGOs focus on health, education, youth, environment or peace-building.

Examples of NPOs/NGOs:

- Amnesty International
- Red Cross
- Habitat for Humanity
- Wikimedia Foundation
- Animal Refuge Kansai
- TELL Counseling Support Services
- Second Harvest
- Japan Association for Language Teachers (JALT)

Method:

a. Slide Presentation

Your slide presentation has to have a minimum of 25 slides; your slides have to include a variety of visual aids.

b. Presentation

You have to present your slide presentation to the entire class using presentation structure and style.

Your presentation will be 20-25 minutes (including questions).

- ★ You cannot read your presentation. If you read your presentation, you will automatically receive a failing grade.
- ★ On the day of your presentation, you need to arrive 20 minutes before the start of our lesson to set up the computer.

Important Dates:

- November 1: submit outlines
December 12: presentations (groups 1-3)
December 19: presentations (groups 4-6)
