

# Research Paper Conferences

## What is a conference?

A conference is an in-class meeting with your teacher to discuss the first draft of your research paper for about 5-7 minutes.

## Conference Procedure:

1. One week before your conference, you will receive your first draft with my corrections and comments.
2. You need to review these corrections and comments, and then prepare questions to ask me during our in-class conference the following week.
3. After our conference, you need to revise and edit your research paper before you submit it as a final draft.

## Conference Schedule:
