

Pre-Teaching Vocabulary

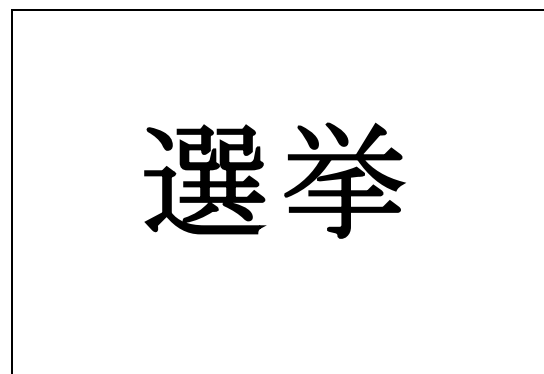

Before your discussion, you need to teach your group the most important vocabulary in your article.

1. Choose 5 words.
2. Write down these words on cards.
 - a. Write one word on each card.
 - b. Write the Japanese meaning on one side.
 - c. Write the English meaning on the other side.
3. Give your group a quiz about these words.
 - e.g. Do you know this word? / It means ... in Japanese.
4. Make your group pronounce each word 3-4 times.
5. Place your cards on the table so that your group can see them during your discussion.
